FLOOR DEBATE

LB 48, 285A, 596, 598, 608A, 743  
LR 195, 196

bill. I'm going to support Senator Synowiecki's amendment. I suggest to you that it is a very broad exemption, in that it only...it applies to all nonprofit organizations described in Section 501; not certified, described. And again, I think it would apply to trade associations, the Chamber of Commerce...Senator Aguilar, I don't know if you want the Chamber of Commerce calling you repeatedly, they probably already do...and/or foundations. But again, I would suggest to you that...adopt Senator Synowiecki's amendment. We do need the charitable exemption. But again, there's a lot of problems in this bill. Thank you.

SENATOR BRASHEAR: Thank you, Senator Bourne. Mr. Clerk, matters for the record?

CLERK: Mr. President, I do. I have items for the record. Your Committee on Enrollment and Review reports they've examined and engrossed LB 48, LB 285A, LB 596, LB 608A; all those reported correctly engrossed. Two new resolutions: LR 195 by Senator Johnson, LR 196 by Senator Johnson. Both those will be laid over. Senator McDonald would like to remove her name from LB 598. (Legislative Journal pages 2085-2087.)

And, Mr. President, I do have a priority motion.

SENATOR BRASHEAR: Mr. Speaker, to address the body.

SPEAKER BROMM: Thank you, Mr. President. A couple of announcements: Tomorrow on the agenda we had LB 608 and LB 608A being read. That will be removed and placed on Friday's agenda, due to the amendment today on LB 608A. The bills that...i.e. we do adjourn, the bills that were proposed to be read tonight, we'll simply put those on the agenda. We can't reprint the agenda, but we'll add those to the agenda in the morning, so that those will be read tomorrow. And all told, with the bills from today and tomorrow, we probably shouldn't have over two and a half hours of Final Reading tomorrow. So...and there's not much else tomorrow. We should be concluded somewhere around noon, I would think. So that's all I have to say, Mr. President. Thank you.
